Ehud,

Thank you for your efforts with BOI and Tehila!
I will keep you posted on the process. We have introduction meetings set with Tehila and BOI next week.

I think that if we make good progress with our Dutch Alfa customer (schuberg philis) we might want to wait with approaching Bank Leumi and First Int. Bank.
We will know better in a couple of weeks.

Thanks,
Pavel.

L let me know if that's about time to approach simultaneously Leumi and First International Banks re their readiness to host a Beta Site of GC.
